PRICE

In some lines of business price may well be the great talking point.

Those who can buy and sell lowest have something to say that is interesting to the public.

In the

DRUG

Business

It's different. Quality, regardless of price, is and should be the main factor in all well-regulated and reliable drug stores. It is here.

The goods you know and the goods you don't know are all priced with fair profit.

The goods are right.

The prices are right.
